## Basic Skills Education Program

BSEP is the commanders' primary on-duty education program. The goals of BSEP:

- Promote retention
- Increase re-enlistment options
- Improve job performance

Since BSEP is a refresher course in both math and English, many soldiers take it to help them raise their GT score when taking the Armed Forces Classification Test (AFCT).

BSEP is a teacher-facilitated program with computer programs for learning enhancement.

### To Enroll: (no earlier than 2 months prior to class start date)

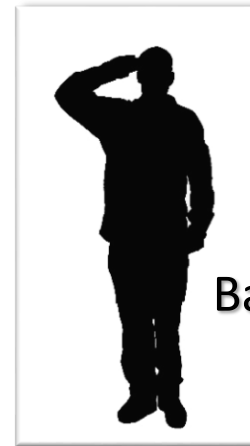

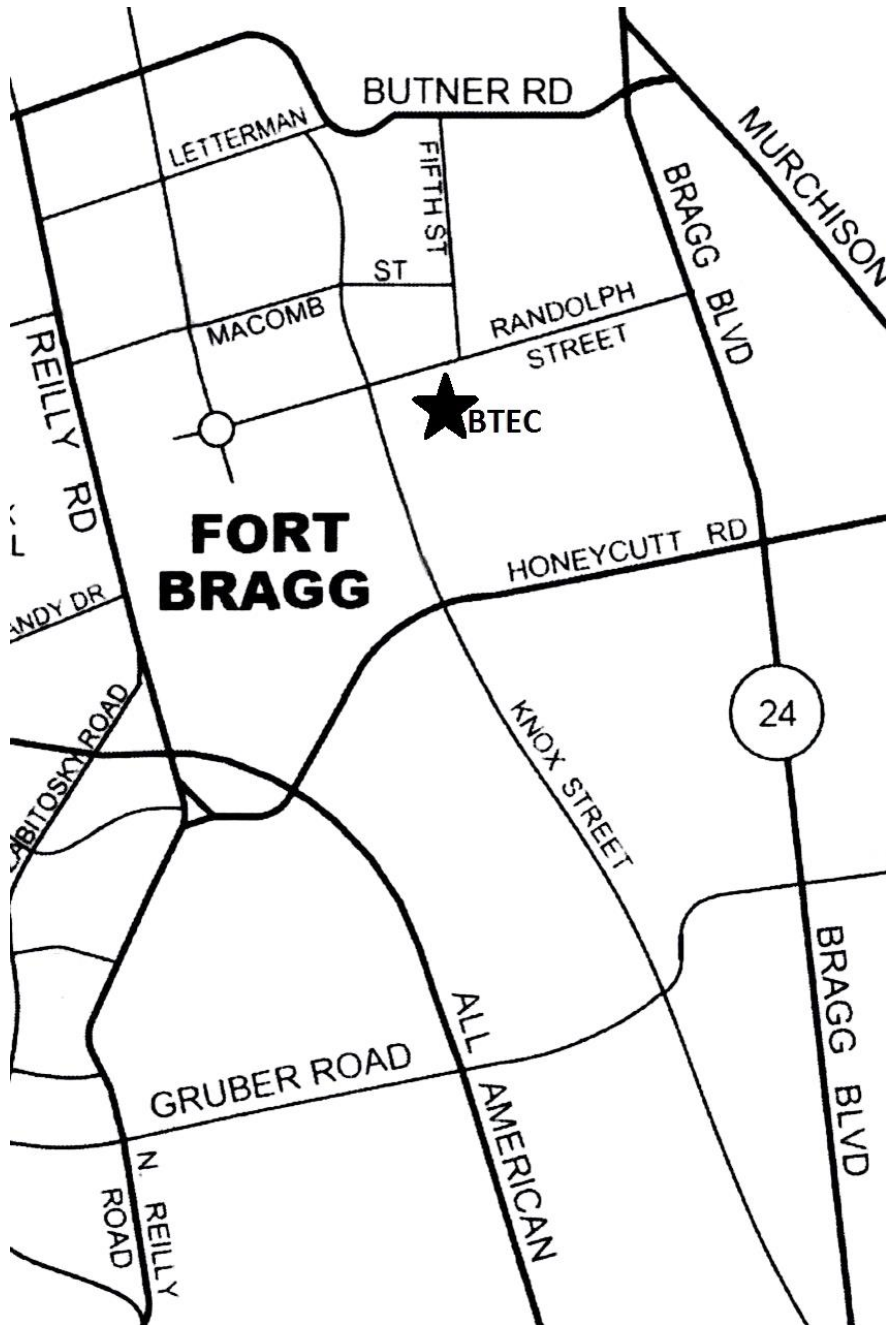

1. Get a BSEP enrollment form one of two ways:
  - see a counselor at the Education Center, J Wing.
  - go to [www.goarmyed.com](http://www.goarmyed.com) to self-enroll. Print the form.
2. Have your commander sign the form.
3. Bring your signed enrollment form to us as soon as possible (before the class starts) to hold your slot. You **must** attend the first day of class. No one will be accepted into the class after the first day of the cycle. We will try to accommodate walk-ins. **Please call us at 396-2351/6982** if you have any questions.
4. The TABE (placement test) is given on the first day of class.
  - Morning class report at 0730
  - Afternoon and evening class report at 1230
